

Scotland's Approach to Place: Place as a Focus for Tough Agendas

Academy of Urbanism Congress: June '21

Sam Cassels : Place Principle Adviser, Scottish Government

Diarmaid Lawlor: Associate Director Place, Scottish Futures Trust

Place as a Mechanism for Change

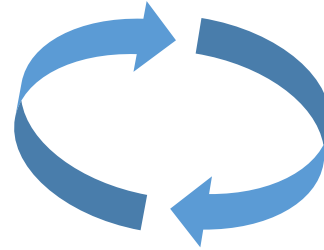

Place as a Focus for Tough Agendas

Vulnerabilities

- *social inequalities*
- *hidden harm*
- *shielding*
- *stop people getting ill*
- *gaps before statutory responses*

Common Purpose

Localism

Capabilities

Infrastructures

Place as a Framework for Investment

Accountability:

The Place Principle:

A common approach adopted across all portfolios.

Conditionality:

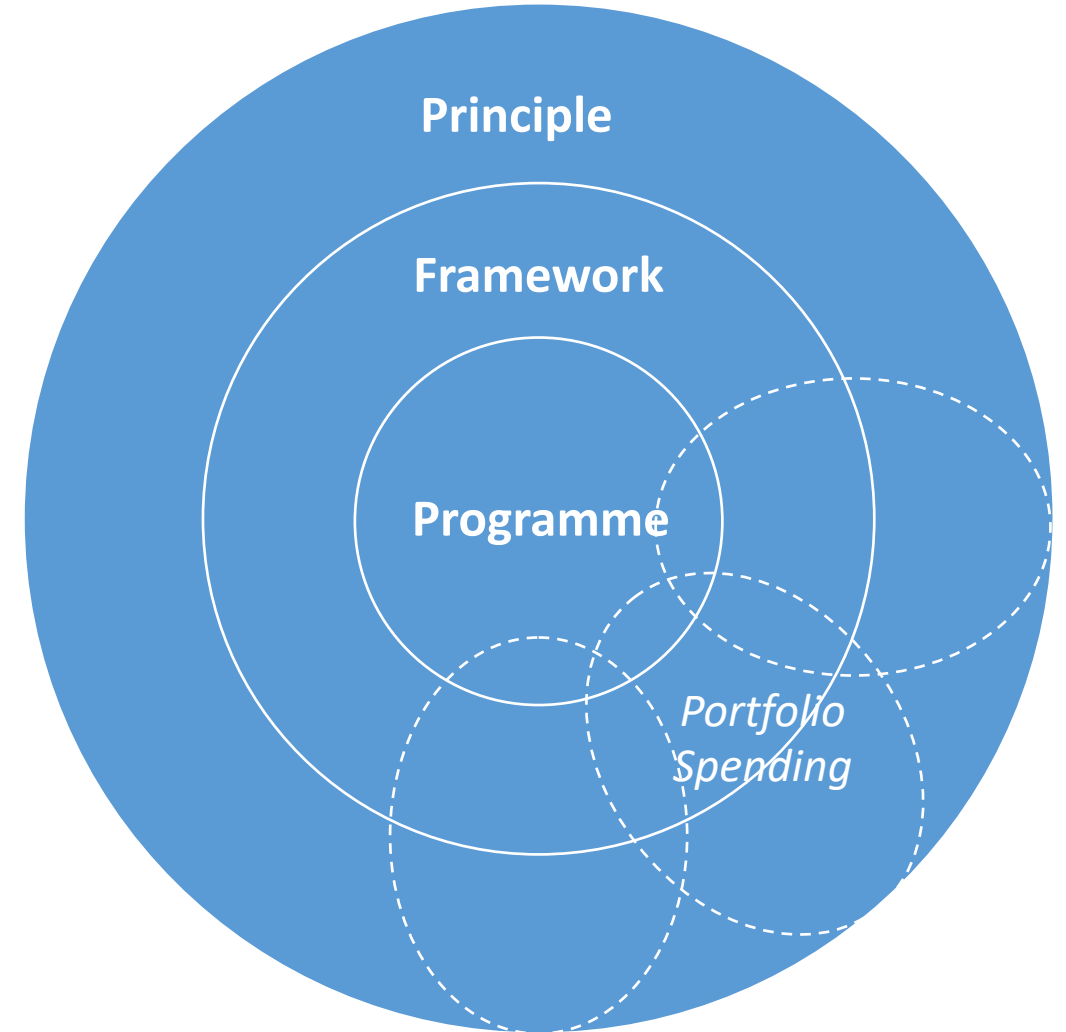

The Place Based Framework:

A consistent appraisal framework for all local capital investments.

Coordination:

The Place Based Investment Programme:

An aligned programme of place based investments.
